

JULY EVENTS

BOOK TRAILER CONTEST

DEADLINE: Fri, Jul 28, 6pm

Kids, teens, and adults are invited to submit a book trailer to be considered for The City Library's Book Trailer Awards! Each entry must be no longer than 5 minutes in length and must be appropriate for all ages. Accepted entries will be showcased at a gala on August 5, and winners will receive prizes that include a GoPro! Learn more at slcpl.org/booktrailer.

STUFFED ANIMAL STOWAWAY: HOW I SPENT MY SUMMER VACATION

Jun 3–Aug 12 · Anderson-Foothill Branch

Share your summer vacation with one of the Library's stuffed animal friends! Throughout the summer, families can check out Mortimer the Turtle and take him on their adventures. Photos of his summer adventures can be shared with the Library and will be included in a presentation on August 12 at the Anderson-Foothill Branch. Learn more at slcpl.org/stuffedanimalstowaway.

Registration Required

Adventure Dance

Kids ages 5–10 can join Imagination Place for an exploration of children's literature, movement, and dance. *Registration for this drop-off program is required. Register by calling hosting location one week prior to class date.*

Amazing Animals Petting Zoo

Experience a small petting zoo. Kids can see and touch a variety of small, friendly animals provided by Ivie Acres Farm and Petting Zoo, including chinchillas, bunnies, a sulcata tortoise, cockatiels, ferrets, a hedgehog, a baby fox, chicks, ducklings, and geese.

Art & Maker Classes with Clever Octopus

Kids and teens ages 8–15 can create new projects using a variety of found and reclaimed objects and explore the science behind art and engineering.

Art Truck Extravaganza

Join UMOCA, Framework Arts, the SLCC Community Writing Center, and the Library and explore the concept of community through art, music, and map-making on Library Square. Featuring the music of Doc Young. See the day's full schedule of activities at slcpl.org/build.

Ballet Workshop with SLC Ballet

Learn about being a dancer from professional and student dancers. Kids can enjoy a short dance class and performance from SLC Ballet.

Bookmaking for Kids

Learn how to create your own book and other fun printmaking processes from experts from the Book Arts Program at the University of Utah.

Botanical Superheroes with Red Butte Garden

Learn about the powers that plants share with superheroes! Kids in grades K–3 will explore nature's super powers with experts from Red Butte Garden and will get their hands dirty with a fun take-home activity. *Registration is required. Register by calling hosting location one week prior to each class.*

Build a Park

Imagine and build the park of your dreams. Kids ages 5 and up and their grown-ups will explore the many aspects of parks—including design, water features, playground equipment, and power—and use that information to design their own park.

Build Your Neighborhood with UMFA

Turn your vision of your neighborhood's streets and houses into a unique sculpture. Kids can join the Utah Museum of Fine Arts in making replicas of their communities using wooden blocks.

Candy Construction

Enjoy a sweet exploration of construction. Kids will be able to imagine and build structures, characters, and more with provided candy and supplies.

Craft Time Saturdays

Kids ages 5 and up can take part in unique projects to create something new.

Design and 3D Print a Patriotic or Pioneer Day Pin

Kids ages 6 and up can design and print a patriotic or Pioneer Day-themed pin using the Library's 3D printing software and equipment. Pin backs and other supplies will be provided. *Registration is required and begins one week prior to this class; call 801-524-8290 for more information.*

DrumBus

Join a mobile music party. Kids and families can play provided drums and hand percussion as part of a moving drum circle. Space is limited, so please arrive early to ensure your spot.

Embrace Your Geekness Day Photo Workshop

Kids ages 6 and up can celebrate Embrace Your Geekness Day by taking and editing their own geeky photos using equipment in the Library's Creative Lab. *Registration is required and begins one week prior to this class; call 801-524-8290 for more information.*

Escape the Room: Star Wars Edition

Kids ages 8 and up are invited to take part in a special *Star Wars*-themed escape challenge. An Imperial spy has stolen BB-8, who has been protecting the map that leads to Rey and Luke Skywalker. General Organa wants you to recover BB-8 before the Empire discovers the vital information. You have discovered where BB-8 is hidden, but you must solve clues and puzzles to release her. See if you can use your problem solving skills to save BB-8, help The Resistance, and restore peace to the galaxy!

Explore Nature in the City with Tracy Aviary

Kids can explore and experience different aspects of nature in this series with the Library and experts from Tracy Aviary.

Explore with Clark Planetarium

Kids ages 5 and up can explore space through their own creations in this series hosted by the Library and Clark Planetarium.
