Earth Day Crafts

Sat, Apr 21 · 2pm Marmalade Branch

Kids can learn about Earth Day while planting the seeds for a brighter future! Students from Westminster College will lead this activity, helping you save a plastic bottle from the landfill by turning it into a hand-decorated planter. This event is cosponsored by the American Chemical Society and Westminster College.

Niños pueden aprender sobre el Día de la Tierra y ¡plantar semillas para un futuro mejor! Estudiantes de Westminster College conducirán esta actividad, ayudándote a salvar una botella de plástico de un destino de eliminación en el tiradero por convirtiéndola en una maceta decorada a mano. Este evento es copatrocinado por la Sociedad Química de los Estados Unidos y Westminster College.
